editions County While the Present Price Stands This Big Beautiful Reo the Fifth Is a "Gold Dollar for 90 Cents"

THE PROM

Advices from Lansing where Reo Cars are made, warn us that, at any moment, it may be necessary to raise the price of Reo the Fifth

to the announced price for several months past despite the fact that prices of materials have steadily advanced and other makers have been compelled to make substantial

THEY HAVE HELD THAT so long as the materials last which were purchased at former prices, they would not add to the price of this Reo the Fifth.

AND SO IT HAPPENS that those who are now buying and getting deliveries of this "Incomparable Four' are actually getting the car at less than its value. LESS THAN IT CAN can be sold

for hereafter if prices of materials stay where they are or advance further. WITH THE PRESENT DEMAND for this model, and the strenuous effort of the factory to catch up

years ago (at former prices) will soon be used up. JUST WHEN we do not know. Factory does not say.

with it, the materials purchased two

BUT WE ARE WARNED that "the factory reserves the right to advance prices on any model without notice" and that any ordersbona fide orders with a cash deposit and definite delivery date in our hands at such time will be recognized and filled at the present price but no more.

WHEN YOU CONSIDER the size; the passenger capacity; the quality of materials—the best metals known to science; real leather instead of imitation; and "50 per cent oversize" in all vital partsyou must appreciate what wonderful value is this Reo the Fifth at

THE REO FOLK have steadily held FOR IT ISN'T THE PRICE alone-it's the famous fact that this is the cheapest car in the world to maintain.

YOU CAN BUY A "skimped car"a four or a six-at less, of course.

BUT THE DIFFERENCE in quality, in service and especially in upkeep cost, is vastly more than the difference in the price.

WHEN YOU BUY A REO the Fifth you buy security-material as well as physical.

82.6

M

A A

AND THAT'S WORTH MORE than the difference in price.

YOU KNOW-YOU KNOW that when you start out in your Reo the Fifth the drive, be it five miles or five thousand, will be pleasurable and enjoyable all the way.

AND YOU KNOW it will be free from those "pesky little troubles" that vex most motorists and are inevitable—yes, inevitable—in the "skimpy car."

THAT "50 PER CENT oversize," the Reo standard factor of safetyin bearing, in axle, in gears in all vital parts is your guarantee and your reliance. You'll enjoy every hour in your Reo.

Reo friends have told you so. This ad is to warn you that there isn't a minute more to lose. ORDER NOW-we can promise a

BUT YOU KNOW THAT-your
